

Cold Polar Bear

Lyrics by Elizabeth Hanan

Cold po - lar bear, sleep - ing a - lone, with your white hair, in your dark home,

Polar Bear Response

Cold po - lar bear, rest - ing so still, Will you come out? Yes, I will!
No I won't!

Find two photos of a polar bear: 1) facing toward the camera, 2) facing away. Glue the photos back-to-back on a piece of cardboard and attach the words "Yes, I will!" to the photo of the polar bear facing toward camera and "No I won't!" to the polar bear facing away from the camera. Place the photos in a concealable container such as a bag.

Designate one child to "be" the polar bear. Have all the children sing the song. At the end of the song, the "polar bear" reaches into the container and withdraws the card. The "polar bear" chooses which response s/he wishes to make ("Yes, I will!" or "No, I won't!") and turns the card, so that the appropriate image and text faces the other children.
